7:00 International Rostrum of Composers 2007

Six programmes

The 53rd of these forums for the promotion of new music was held in Paris last year.

Under the auspices of the International Music Council, supported by UNESCO, national broadcasters from around the world met up

to present a selection of recent music recorded in their countries. Our closest

neighbours attended, and in this fifth of six programmes, ABC Classic FM's Julian Day

present works submitted by delegates from public radio stations around the world (5) (*ABC*)
