7:00 Appointment
The Massey Lectures
The CBC Massey Lectures celebrated fifty years in 2011 with bestselling author, essayist, cultural observer, and famed New Yorker contributor Adam Gopnik. His subject is winter - the season, the space, the cycle. Gopnik takes us on an intimate tour

of the artists, poets, composers, writers, explorers, scientists, and thinkers, who helped shape a new and modern idea of winter. A stunningly beautiful meditation buoyed by Gopnik's trademark gentle wit, Winter is at once an enchanting homage to an idea of a season and a captivating journey through the modern imagination.

Winter - five windows on the season

(2) (CBC)
