Jeff Beck - Live At Ronnie Scott's Jazz Club. Jeff

Beck is a guitar legend. From his work with the Yardbirds in the sixties, through the Jeff Beck Group to his solo career, his innovative and unique guitar style has won him the admiration of his peers and fans. The UK Times referred to him as "perhaps the greatest living guitar virtuoso, combining astonishing technique with a blissful nuance he exercised an almost supernatural control of his fretboard." This 2007 recording is from series of concerts at Ronnie Scott's club in London (*Eagle*)
