**10:30 Salt and its Diverse History**

Steph McGovern explores the rich, diverse history of salt which has played a vital and multi-faceted role in history. In a two part documentary she finds out how salt is produced, its importance to our physical well-being and its use in military strategy right up until the 20th Century. Salt helped shape economies and cities like Salzburg, Munich and Venice, but also played a crucial role in revolutions across France, America and India. It played a key role in food, became an attractive artisan product, and now appears in health warnings

**11:06 Richard Thompson Live at Womad Taranaki**

Richard Thompson Live at Womad Taranaki (3 of 5)
